Military Extension Letter

Indiana law (Indiana Code 9-24-12-6(e)) provides that the driver's license of any Indiana resident serving in the United States Armed Forces and residing outside Indiana remains valid for ninety (90) days after discharge or post-deployment regardless of the expiration date of the license.

While operating a motor vehicle, you should hold in your possession your most current license along with this letter and proof of your service in the Armed Forces.

To renew your license **within the ninety (90) day period** following discharge or post-deployment, you will be required to show proof of discharge or post-deployment from the Armed Services and pass a vision screening.

To renew your license **beyond the ninety (90) day period** following discharge or post-deployment, you will be required to show proof of discharge or post-deployment from the Armed Services. You may also be required to take a vision test, written test or drive test depending on your current driver status or license type.

If you require further information or assistance, please contact the Indiana Bureau of Motor Vehicles at 1-888-692-6841.
